

MQii Stakeholders and Collaborators

The Malnutrition Quality Improvement Initiative (MQii) is a project of the Academy of Nutrition and Dietetics, Avalere Health, and other stakeholders who provided guidance and expertise through a collaborative partnership. Support for the MQii is provided by Abbott.

Special thanks to the members of the MQii Advisory Committee for their guidance in designing and informing the content of the Toolkit; to the members of the Technical Expert Panel for their guidance in specifying and testing the malnutrition electronic clinical quality measures (eCQMs); and to the members of the MQii Learning Collaborative for their work to implement the MQii Toolkit and eCQMs, and provide feedback to inform revisions and future iterations to MQii tools.

Each of these hospitals implemented the Toolkit in unique ways and the lessons learned from each site informed valuable enhancements to the Toolkit.

² We thank Heidi J. Silver, PhD, RDN, at the Vanderbilt Diet, Body Composition, and Human Metabolism Core and the staff at Vanderbilt University Medical Center for serving as the demonstration site for implementing and testing the Toolkit.
